Celebrity Cashless System

For your convenience, a "cashless" system has been established onboard, so cash is not used anywhere except in the Casino.

Your SeaPass Card, which was validated when you embarked, can be used throughout the ship for any purchases or services you may desire during your cruise; please be aware that your account cannot be used to secure cash. Your SeaPass Card also identifies you when entering and exiting the ship. Please remember to always take it with you, as well as a photo ID.

A final itemized statement will be presented on the day of disembarkation.

If you misplace your SeaPass Card please report the loss immediately to the Guest Relations Desk in the Grand Foyer, Deck 5.

Captain's Club News

From Regina, Captain's Club Hostess

A very warm welcome to our Captain's Club Members! The Captain's Club has grown with tremendous popularity over the years, and it is a great pleasure to have you sailing with us. While onboard please keep your SeaPass card with you at all times to help ensure that you are recognized as a member and that you enjoy all the benefits that your membership offers. If you are a Captain's Club member and your SeaPass card does not indicate your level of membership, or if you have any other inquiries, please do not hesitate to visit the Captain's Club Desk, located in the Grand Foyer on Deck 5 Midship. Your Captain's Club Hostess, Regina, will be delighted to assist you. Once again, welcome aboard the Mercury!

Health Travel Advisory

Medical experts strongly suggest travelers pay close attention to washing their hands. The best way to prevent colds, flu and gastrointestinal illnesses is to simply wash your hands thoroughly with soap and hot water after bathroom breaks and again before eating anything. Your cooperation and assistance in the matter would be greatly appreciated.

Emergency & Lifeboat Drill 4:15pm

At the sounding of the ship's alarm, guests should proceed - with life-jackets - to your assembly station as noted on the back of the stateroom door. Ship's staff members will direct you from there to your lifeboats.

Please Note: Participation is mandatory according to Safety of Life at Sea regulations (S.O.L.A.S.).

For Your Information

Baggage

We will be loading nearly 6000 pieces of luggage onto the ship. Therefore, it may take a little extra time for your luggage to arrive to your stateroom. We appreciate your patience and understanding.

Baggage is being distributed and will be placed just outside of your stateroom door. Guests missing baggage should contact the Guest Relations Desk in the Grand Foyer, Deck 5.

Please be Careful

Of necessity, the doorway thresholds in your stateroom, bathroom, public rooms, and in some outside areas are closed. Please exercise extra care when proceeding through these areas, especially in the event of adverse weather. Please avoid walking barefoot on decks and throughout the ship. Take extra care when going to the bathroom during this night. Also be aware that your bathroom floor can sometimes be wet and slippery, therefore please exercise caution. Please keep your fingers away from door frames, as doors might close suddenly and with some force; this is especially possible in adverse weather. Elderly guests and those traveling with children should pay particular

attention to this point, and should also instruct your children. Please use handrails on stairways and in corridors, especially in adverse weather. Always keep both feet on the side of stairways. For further safety tips, please see your Directory of Services.

If You Feel Motion Sickness

Stay near the middle of the ship, where there is less motion, go to the open decks for fresh air, and avoid looking at the waves. Refrain from alcohol and dietary excess. Medicines available at the Guest Relations Desk, Plaza Deck 5 and from your stateroom attendant. Medical treatment is available at the Medical Facility and it is subject to charge.

Medical Facility

The Medical Facility is open daily from 8:00am to 12 Noon and 5:00pm to 8:00pm. One of our doctors and a nurse are on call for emergencies at all times. **For serious emergencies, please call Guest Relations at ext. 7695 or press the "Emergency" button on your telephone.** All medical services are subject to charge. Charges are based upon posted U.S. Medicare rates.

AquaSpa Service Charge

A 10% service charge will be added to your account for all AquaSpa services.

Stateroom Private Bar

For your convenience a fully stocked private bar is located in your stateroom. Your stateroom attendant will replenish the private bar every day and the consumed items will be charged to your Celebrity SeaPass account.

The private bar contains miniature bottles of alcohol, therefore, if you have children and want these bottles removed, please notify your stateroom attendant.

Bar and Wine Service

A 10% service charge is automatically added to each bar bill.

Safety First

In the unlikely event of an emergency, guests should know the location of life-jackets in the stateroom. A notice on the back of your stateroom door and information in your Directory of Services provide the Muster Station and other pertinent safety and emergency information.

Children between the ages of 3 and 12 are required, for the length of the voyage, to wear colored wristbands that indicate their Assembly Stations. You are responsible for ensuring that your children wear these wristbands at all times. Parents are requested to put on your lifejacket and proceed directly to your muster station and await the arrival of your children.

The Youth Staff will bring your children to you if your children are enrolled in the Celebrity Youth Program at that time. If they are not in the Youth Program, the wristband system will allow our fully trained Celebrity family members to direct any unattended children to their assigned muster stations. You will then be guided from your muster station to the lifeboats during an actual emergency.

Safety - Environmental Advice

If you occupy a stateroom with a Balcony, please do not leave towels, personal belongings or any Combustible/Flammable objects on the balconies when you are not in your stateroom. Do not use ion, candle or unapproved heating elements such as electrical heating coils used in cups or mugs.

Plumbing System

Out of consideration for your fellow guests and to insure an enjoyable cruise for all, we strongly request that all guests refrain from disposing of anything other than toilet tissue in the toilets throughout the vessel (stateroom and public rooms). By adhering to this request we are able to avoid serious problems and/or backlogs to the plumbing system, which will cause discomfort and inconvenience to all guests. Appropriate waste receptacles are located in all staterooms and throughout the ship, which we request you use.

With your cooperation, Celebrity Cruises can fulfill its commitment to the environment, protecting the oceans and enabling us to dispose of waste material in a proper manner.

Interactive Room Service

Room service in your stateroom is available 24 hours a day; simply make your selection from the television on-screen menu. The Room Service menu is in your Directory of Services. Only the items listed in this menu are available for delivery to your stateroom. However, during the restaurant meal hours, you may order from the restaurant menu.

For your convenience continental breakfast is available in your stateroom and can be ordered by making your selection from the television on-screen menu.

Smoking Locations

Celebrity Cruises have designated smoking and non-smoking areas throughout the ship. Please be advised that smoking is strictly forbidden in the following public rooms: The Manhattan Restaurant, Palm Springs Café (inter), Card Room, Celebrity Theater, Library and all elevators.

Dress Code in the Manhattan Restaurant: Swimsuits, robes, and bare feet are not permitted in the Manhattan Restaurant at any time. Jeans, T-shirts, tank tops, and shorts are not permitted at dinner. Guests are asked to respect this sailing tradition for the ambience of the cruise.

Special Diets: Guests with special dietary requirements should contact their Assistant Maître D' to confirm their requests.

In all other public rooms, we have designated smoking and non-smoking areas. The port side (left side) of those public rooms has been designated as the smoking area. Smoking is permitted in certain areas in the Casino.

Guests who enjoy pipe and cigar smoking are encouraged to visit Palm Springs Bar, port side, open deck or the open area on deck 4.

Guests who wish to smoke during dining hours are asked to please refrain from smoking in the Restaurant.

We ask that all of our guests kindly abide by these regulations. We greatly appreciate your understanding.

Shore Excursions Booking Form

How to Order? Please complete the form and when you have selected your tour, write the number of tickets you require in the appropriate columns. Sign the form and then drop it in the DROP OFF BOX by the Excursion Desk, Deck 5. Please be advised that you can also book tours through the TV Interactive System in your stateroom. Shore Excursion Staff will be happy to assist you during opening hours.

Please Note: Some tours have a limited number of spaces available and will be sold on a first-come, first-served basis. **Please book early to avoid disappointment.**

Stateroom Safes/Valuables

Guests are reminded not to leave any unsecured valuables, jewelry, or money in the stateroom drawers or on counter tops, etc. We suggest making use of the safes located in your staterooms.

Although every effort is made to safeguard staterooms, Celebrity Cruises will not accept responsibility for the loss or damage of any valuables left unsecured.
